

Introducing myVS

Book, manage and track
your cargo online, 24/7

Improving connectivity

Enabling you to work, how you want to

Launching myVS

Your personal online portal to book, manage and track your cargo, real-time, 24/7.

Suitable for General, Fresh, and Pharma

Keeping it Personal

Harnessing the power of our people and embracing new technology to offer more choice on how you book with us

myVS is now live

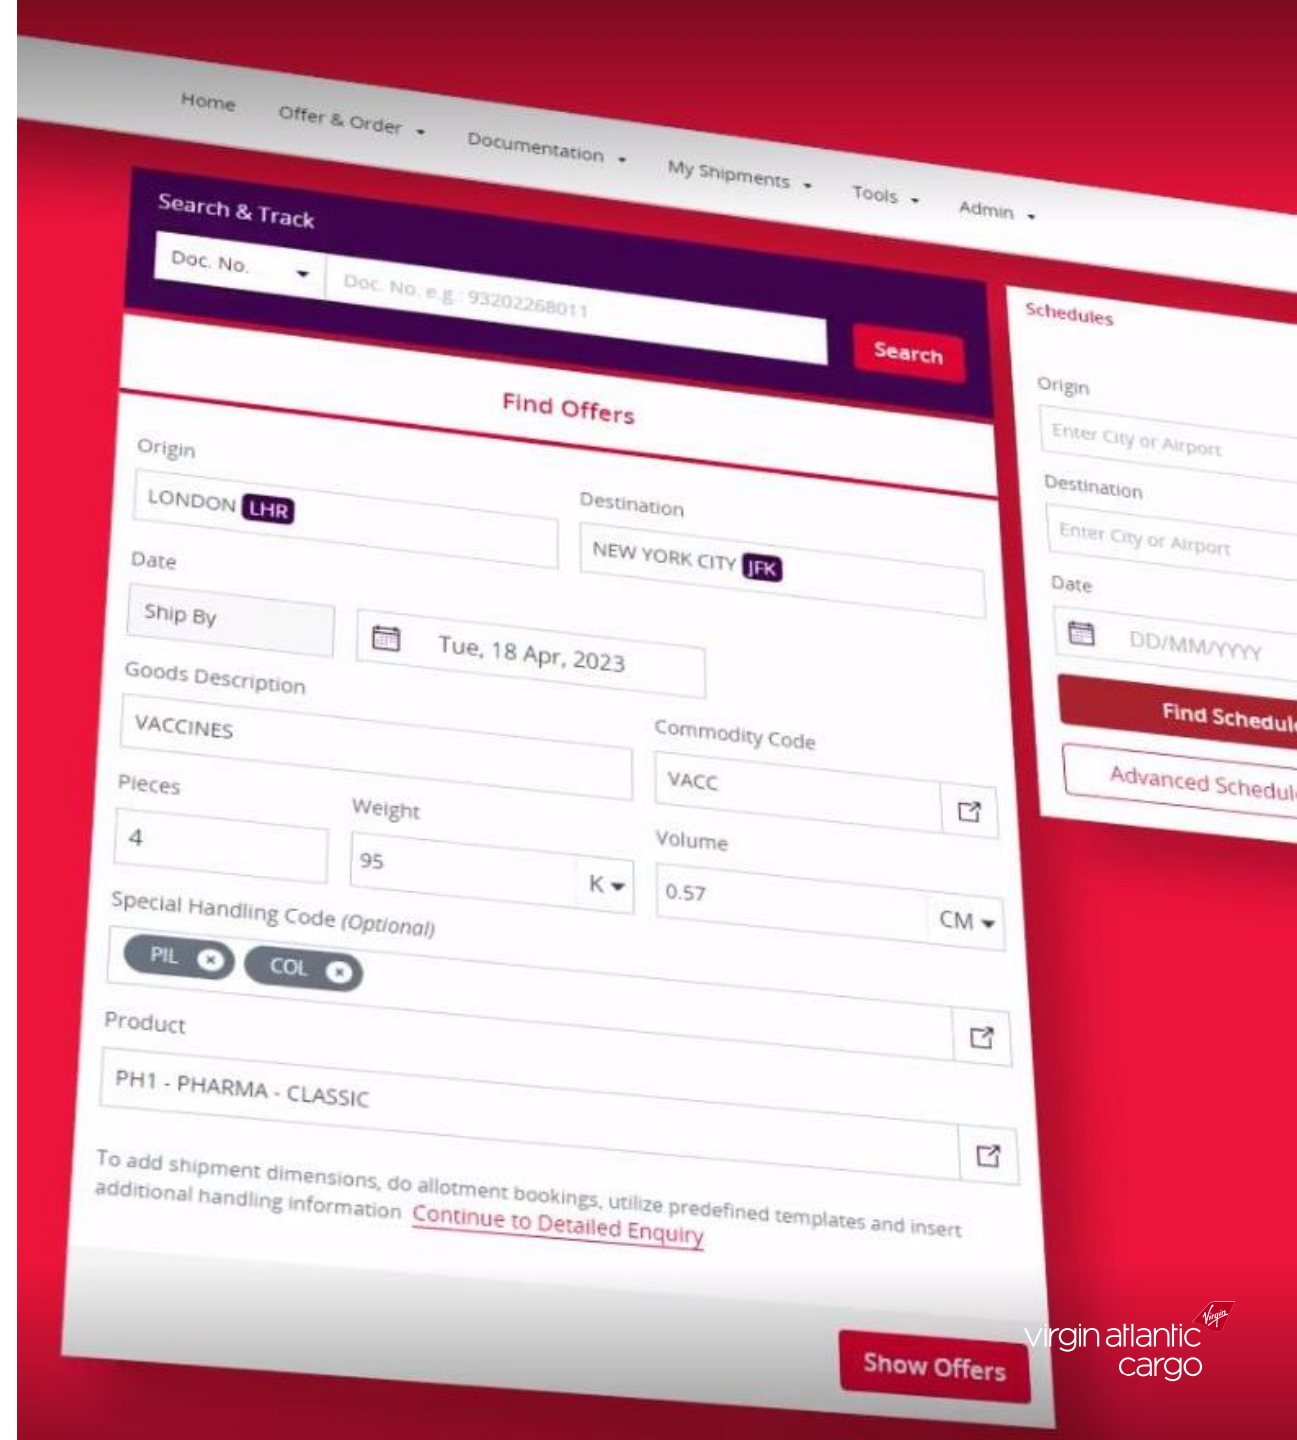

With myVS we've expanded the functionality of our digital platform, enabling our customers to quote, book, manage, and track their cargo shipments online, at any time.

Launching first in the UK and South Africa, customers can now sign up to book General, Pharma and Fresh online with ease.

We'll be expanding this to the US later this month with more locations coming soon.

Choose myVS to:

- ✓ Book and manage shipments anytime, anywhere
- ✓ Track shipments in real-time
- ✓ Explore and compare our flight schedules
- ✓ Experience a simple, efficient and user-friendly platform
