

Tracking your shipments

A short step-by-step guide

Search for your shipment

Head to the myVS home page and you can track your shipment using the MAWB or JRN

If you're using the MAWB, this must include the prefix without any spaces or special characters

For example: 93212345678

You can track up to 10 shipments at a time by, simply enter the first one and click the "enter" key, and continue with adding the remainder

If the AWB has previously been used and cancelled, you will see the past history of the document number

The screenshot displays the 'Search & Track' interface. At the top, there is a search input field with a dropdown menu showing options: 'Doc. No.', 'JRN No.', and 'Order ID'. The input field contains the text 'Doc. No. e.g.: 93202268011' and a red 'Search' button. Below the search field, there are 10 blue buttons, each containing a document number and a close icon. The search results are displayed in a table with columns for 'Doc. No.', 'Hard Freight', 'JRN No.', and 'Order ID'. The first result is '932-32091301' with 'Hard Freight' status, 'JRN No.: 4424554', and 'Order ID: 1673439586070'. The route is 'LONDON (LHR) -----> BOSTON (BOS)'.
