# How to book your Allotment

## A short step-by-step guide

### Select a Special Handling Code

Enter in **“ALT”** to this field as your allocated space is linked to this code.

### Select the right product

Your space is assigned to one product. Make sure that this booking uses the correct product agreed upon when setting up this allocation.

### Toggle “use allotment”

To search for offers using your allotted space, make sure this toggle is set to **“Yes”** and then click **“Find Offers”**.

# How to book your Allotment

## A short step-by-step guide

### Choose your flight

We will show you all applicable flights that have availability in your allotted space.

The **yellow** indicator shows the space that will be taken by your current booking if you proceed.

The **green** indicator is the remaining space available after you confirm the booking.

**Tip:** hover over the space to see the exact amount **requested** or **remaining**

Once you have found the flight you want to use, click **"Select"** and follow the booking process through to completion. You'll be able to manage your booking under **"My Shipments"** if you need to amend any of the details.

**Thank you**
